Subject: ARCS Sunday Regatta 1/6/2013

Date: Sun, 6 Jan 2013 20:46:47 -0800

Folks:

Weather predictions were pretty much right on today with 42 degrees and 14 to 16 mph winds out of the SSE. This translated into a very acceptable CCW four point course that had us near the top of the No.1 rig. Great fun for all except Bill Langjahr whom went out with a broken mast in the third race. Still way better than vedging in front of the TV watching a dull football game.

Enjoy

Larry Stiles
