Folks:

Wow. What a day for sailing. The venue certainly lived up to it's name. Sun sun and sun with winds that ranged from almost calm to almost "B"rig coming from SW, N or even NE, depending on when you looked.

It's interesting how the same sailors keep rising to the top no matter what the conditions. Fantastic! So much to learn.

Ron Blackledge and his Fraktal keep getting better and better. Need to keep an eye on that boy.

Enjoy.

Larry Stiles
