Folks:

The wind finally arrived, a little late, heralded by dark rolling clouds from the North and a drop of about 10 degrees in temperature. But it was a wind we could work with, out of the NW, probably about 5 mph, and it fueled a spirited day of racing. Two brand new boats were introduced, new to me anyway, two new V8's. A white one for Peter Sternberg and a Red one for Mike Person. Beautiful boats both.

Enjoy
Larry Stiles
