Folks:

After most of the ice was cleared away and the wind settled in we had our selves a brilliant day of racing. With the wind coming from the north this called for a course that ran right to left with the STBD end of the start line way way out there, No matter. We then beat up to a STBD rounding at the windward mark, long reach/run down to a Port rounding and then a challenging beat back up wind to finish between the windward and offset marks. Whata deal.

Julian and his V8 started out strong and kept getting faster. Good show.

Enjoy.

Larry Stiles
