Folks:

The wind appeared like a restless spirit summoned from a long sleep, precisely on time. It breathed it's cold wafts of air from the NW and slowly backed a couple of points and by 15:00 it was gone, chased away by the afternoon light.

This was racing not for the faint of heart but for the resolute that showed up with the right plan and persevered, even if they didn't know what they were doing. Julian, Joe and Steve were persistent in their consistence as the results show.

Mama said there'd be days like this. Good job.
