What a delight to have 12 boats on the water and to have 4 of them Soling's on a Sunday! Perhaps we can keep this going and race both fleets alongside one another on a Sunday. We ran 8 races with both fleets together, same start, same course and scored them separately. What we did not have was wind - 7.4mph max 2.2mph average. A struggle to find enough wind to keep the boat moving but a lot of fun and great camaraderie at the après lunch table. A great result for Rich Cushing !
