Folks:

As beautiful a day that you could want. A high dry sky, not quite bikini weather but very acceptable. A steady wind of 6 to 7 mph out of the NW backing more to the W as the day progressed allowed a long course with at least 2 tacks going to the weather mark. Racing from right to left put the STBD end of the S-F line way out there but it was handled with a minimum of violence. We were able to get in 12 races of 2 laps each.

Great racing all around with 1 point separating the top 2 IOMs and the 2 Solings.

Enjoy.
