With a weather forecast that predicted rain and low (2 mph) wind we were favored with a max wind of 6.7mph average 3.3 mph sun and 60+ temps. The wind direction was sort of from the West - another feature of the prediction that was inaccurate . A great day of sailing with 2 Solings and 7 IOM's. The Solings results are Rich Cushing First with 9 first places and Pat Waters second with 9 second places. The IOM results are attached. There is still time to enter the Cowboy-up regatta to be held in Ellensburg next weekend or come over and hangout and help ! Some of us are camping at the KOA and some at the Quality Inn.

Julian
