Our Father's day weather fully supported the "June Gloom image".- Grey overcast, chilly' trying to drizzle, but not very capably. Even a -2.7 ft low tide to shorten our race course. But we were undaunted and had 11 boats on the water and high spirits and great fun. At the outset of our racing the wind was light to nonexistent and as the day progressed the wind came in with the tide. Max wind 15.7 avg 2.3 mph. We got in 16 heats, had a feast of a potluck after racing and were even able to contribute a few dollars to the Deception Pass park foundation. Thanks go to the participants and wives that created the Potluck feast, to Cathy and Jean for scoring and to Manfred who did a great job as our Principle Race Officer. Julian
