Folks:

Surreal fog filtering the light through the tree tops making for a backdrop worthy of The Lord of the Rings. This and fairly steady winds out of the West at 4 mph made for good racing all around.

Enjoy.

Larry

PS. My travel mug disappeared from the dock after the races on Wednesday and I'm told that someone rescued it but we don't know who it was. It's a 16 ozer, stainless steel with a black top and a couple of stickers on it. Help.
