Sailing start and finish times

Lee, Julian DPMYC

9/3/2014

I have talked to most of the regulars and, particularly to the sailors that travel long distances to sail with us, and have decided to start at 11.30 and finish at 3.00 pm. The intent is that these are on the clock race times that most of us can accommodate. If the weather is particularly favorable and we wish to continue to sail till dark, that is fine but we cut off the scoring at 3.30. I will endeavor to get the course set up prior to the 11.30 race start time. I hope to see you next Sunday at this new time.

If you have not signed up for the Caper Regatta Sept 27th 28th – It is time.

Julian
