Date: Sun, 7 Sep 2014 19:24:00 -0700 - Julian Lee reporting.

A beautiful day in paradise but our island wind was having a tough time knowing when to start work! He for sure was not aware we were starting at 11.30 these days. We did eventually get wind, with the tide change - Straight out of the West and it reduced the weed issues but for the first time sailing at Bowman this summer we experienced a noticeable current – coming from the north. We all had fun and the kudos this time go to Ray Fiedler who had 3 wins and a jelly fish! Who says new glasses don't make a difference! Good job Ray – poor jelly fish! Also Kudos to Manfred for his first major time out with Mr Brightside, and good to see Dick again.
