Folks:

A great day at Bowman Bay! What was there not to like? Well there was the wind. We could have used a little more but we've dealt with less. Averaging about 1.5 mph did make the boats sail like they were in slow-motion sometimes. The water was fine, just coming off a high tide meant there was little current to deal with. Lots of sun and no Crabbers, gotta like that. Lite current and winds did produce enough weeds to cause some hair pulling out moments but it was manageable, for the most part.

Top skipper Award for the month of October were given to Kelly Martin for IOM's and Rich Cushing for the Soling 1 Meters. Good job Guys.

A flock of snow birds took off for warmer climes down south. Steve and Trish Bechtold headed back to Sacramento and Dave VanAmburg and Sneakers set off for Colorado, Oklahoma, Texas and Arizona. Safe journey to them all.

Enjoy.
