**Supplementary Information**

**Operation of Event**

The event will be operated in accordance with the current version of the ISAF RRS as amended by the event SIs, the current ERS, the IOM ICA Class Rules and/or any other prescriptions that may come into effect by the time of the event.

Entry level will be kept to a number that will allow no more than 2 fleets to be sailed.

Depending on the entry level the event will either be sailed as a single fleet or as two fleet heats to make up each race.

If two fleets are used then the event will be operated using the 6 boat promotion/relegation process. Scoring will be done using the HMS spreadsheet software.

If the wind permits, racing will commence at 10:00 AM each day. A break for lunch will be provided and no race heat will start after 4:30 on Saturday or after 2:30 PM on Sunday.

A prize giving ceremony will take place soon after racing is finished on Sunday to allow everyone to start their journeys home.

**Accommodation**

Accommodation is available throughout the Greater Victoria area. Prices vary quite a bit so if you shop a bit you may find some reasonable rates as we are definitely in the off season.

**Check In and Measurement**

All boats entered must have a valid IOM ICA Measurement Certificate issued by its home issuing authority. For owners of recently measured boats who may not have time to receive their certificates, a copy of the signed measurement forms may be accepted.

A practice sailing session will be available Friday, March 27 at Beaver Lake from 2:00 to 4:00 PM. Measurement and check in will be during this practice session at lakeside Saturday morning. The details and exact instructions to get to it will be distributed soon. Measurement at the lake on Saturday will be available but everyone is encouraged to get this done on Friday if they are in town.

If anyone is flying in and needs to be picked up, let us know ASAP so that arrangements can be made.
