Folks:

Let me set the scene; mounting wind out of the ESE starting at about 10 and rising to mid 20's with gusts over 30 and lulls to 5 mph.

We started without with B rigs and stayed thus until the end.

Very few boats escaped the day with no brake downs. Julian's V8 was taken out just getting from the parking lot to the venue. Lot's of nose diving but only a couple of collisions.

It was a test to be sure.

We had fun though.

Enjoy.

Larry Stiles
