DPMYC Sailors,

Some of us did not get enough sailing all weekend with the FFF Regatta and showed up on Wednesday for more. There was not a breath of air moving and we stood in the parking lot getting ready to bag it and go home when someone noticed a little breeze on the lake. In ten minutes it was at the top end of the A-rig and we were getting our boats and the course buoys in the water. We had wind from all points of the compass and had to stay flexible in which direction we would start the races. In all we got 16 competitive races. The last race in glass like water conditions.

Max wind 11

Ave. wind 2.2

Last race 0.0

Regards,

Mike Doherty
