Ahoy Intrepid IOM Sailors,

When racing was supposed to start at 11:30, we had no wind but could see a westerly by northwesterly about 200 feet beyond the weather marks. Finally about 12:30 a bit of wind finally filled in at 2-3 knots. It built slowly to about 5 knots over the next hour and a half, with a small northerly shift. Then it slowly died to just a whisper and finally none at all by the end of the 11th race. We ended up sailing 10 two-lap races and a single 1-lapper.

David Jensen brought his newly completed Kantun SMX, which had moments of good speed. Steve re-shrouded his britPOP! after the last regatta, and it performed well. Dennis and Rich had each had some good races that were taken away by Mr. Weed.

Results are attached.
