Folks,

The sails were trimmed and ten sailors and our friendly PRO Trish began the regatta in a welcome west breeze 5.6 max knots and 0.8 average with clear water. As the beautiful sunny day progressed, the increasing weeds invaded the course bringing some very capable boats to a standstill. So it became break time as the tide line slowly passed through the course. After the break, we began sailing again in the lighter weed conditions and finished with 15 total one lap races at 3PM. After the regatta, we gathered at the picnic tables covered with table cloths and 3 tents for shade, where we enjoyed a finger food pot luck party to remember our friend David VanAmburg. Pictures were shared, toasts were made and stories were told about David and his pet Sneekers. It was great to see everyone there and I know the folks who couldn't make it here had David in mind where they were. He was a great competitor who loved sailboat racing.

Enjoy
