DPMYC Sailors,

Summer is back and it was warmer than expected with light westerly winds in Bowman Bay. We took the day to tune our boats for the light winds expected for the Bowman Bay regatta this coming weekend. We practiced our starts and talked through various starting techniques and wind shifts on the weather leg. The wind got steadier at 3:00pm so we kept racing past the stop time and got a total of 17 races. Julian and Ray came down mid afternoon with Ray's new red V8 and tested their assembly work with a couple of laps around the course.

Regards,
Mike Doherty
