DPMYC Sailors,

It was the first day of fall and a beautiful day. It was also a day of opposites. The wind was out of the east instead of the westerlies we are accustomed too. We set the course on the north side of the pier instead of the south side. We raced upwind towards the beach instead of out into the bay.

But, it all worked, was fun, and we got 10 races in until the tide changed and brought boatloads of kelp and floating stuff out from the pier and we decided to end the day. Marc was back and his V6 was fast. Ray had his new V8 and had a chance to work some bugs out.

Regards,
Mike Doherty
