Only 5 sailors is all we could muster on a great weather day at our new digs- "[Sharpe Cove](#)" at the Rosario beach Area of Deception Pass State Park. However, we all had a great time and we each won a first place – some of us more than others! This location is liked by the few that sail here and is in my view a superior location than Cranberry Lake. Why so few????????????? Daryl traveled from Fife down by Tacoma and had a great time. Come on out and join-in. Julian
