Folks:

Look at the attached photo. Who could pass up an opportunity to sail in such a beautiful setting? Yes I know there was a rather important all or nothing football game going on. But hey, they were going to play the game weather we were watching it or not so let's sail.

We had hardly a cloud in the sky and the kind of wind that demands your complete attention and even that might not be enough. Before we knew it we had 17 races in the bank and it was starting to get really cold, not Minnesota cold but cold enough. We'll be back on Wednesday. Come join us? Enjoy, Larry Stiles
