Folks:

USDA Prime racing. The very best.

I got myself caught again bringing a knife to a gun fight when I dallied with the No.1 rig in what was obviously No.2 wind. I should have learned from the last time I did this. I've run out of spare booms.

The spring sailing at Rosario has been like what Chuck Barry did for rock and roll, way up tempo with a beat never heard before, making everything new again. Get your boat up to 100% and get yourself out here. You've gotta do this.

We sailed a full 16 races, all 1 lappers except the last on which was a Grand Prix. Check out the HMS, it tells the story.

Enjoy.
