Folks:

There was Lots of sunshine, lots of boats and lots of racing. Could have used a little more wind but to tell you the truth, nobody noticed.

Heads up sports fans because after next Wednesdays sailing we will hold a short demo and talk concerning Setup #1 on the RMG winch, aka programming the travel of the sail winch.

Don't make any plans for right after sailing as this might take awhile, or as long as the beer lasts. Bring your questions.

Enjoy.
