Folks:

Lets just say that the sailing conditions were not the best. Can't do anything about that. But what we can do something about is the competition and that was superb.

A big welcome to Steve Sutton whom when he got his head around the V7, which he purchased from Julian, had himself a gay old time. And check out Vic. He and his Little Red Wagon were doing fine.

Joe was the one who consistently showed us how important it is to be in the right place at the right time.

Enjoy.
