Sailwave Scoring Software 2.16.7
www.sailwave.com

By the looks of Baron Bremer's Facebook photos, the winning yacht but still a pukey green #71 is a Byerley designed "Nitro" that according to Jeff is a Cheinz with a modified deck. ~~Baron appears to be sailing his trusty MX16 (ie Maurizio's britPOP copy).~~ Bob **Shluger** sailed his red #14 Widget.

Eastern Canadian Regional - The story is:

The regatta went off very well in a variety of conditions mostly winds of 18 - 20 knots and 3' - 4' waves. A bit of #1 rig in each morning and the #2s all day. We should have used the #3 for the last couple of races Saturday but nobody wanted to be the first to switch down. The sailors had a blast and urged us to run something again next year. Ross Cameron and I will probably block off the same weekend in the busy KYC racing calendar since it seems to work well.
