

Coastal Cup #3 - Final Results

Barry Fox reporting

Great day of sailing in virtually ideal conditions. Sunny all day, the winds settled in solidly just as we were about to start and a stayed all day. It hardly deviated all day.

Martin takes the honors with Rob Mulder over from the Mainland (on his motor bike with his IOM and sail box strapped on the side). Then another strong performance from Mark Wallace to take a tie breaker from Ole. Great stuff and lots of close racing.

Mark your calendars for a return engagement here next month. Should be a blast.

Thanks to Lawrie for keeping us honest and keeping score. And to Martin and Roger (and some helpers) for course setting up and taking down. A great time

Here you go, happy reading
