Folks:

We could have used a little more wind and a few less weeds but all in all a very fine day of racing and look at how few DNF's there were. We're getting better at this.

Vic's rudder servo went toes up on him and Joe helped him get back in the hunt but besides that we ran fairly clean.

I will be racing tomorrow and I hope you will be too. Please respond all to let use know.

Enjoy.

Larry
