IOM Sailors,

Sunday started off showing what winter has in store for us, and it's on its way. No wind. Wind from all directions, and puffs from out of nowhere predictable that had our boats surfing at the top end of the A rig. Even had one short rain squall come through. But after that the sun came out for most of the day and the westerly said, "I'm not done with you guys yet". We had great fall racing with some teasing as to what to expect from old man winter.

Enjoy,

Mike Doherty
