Line Judge and miniature Scoring: Trish Bechtold; Course set: Julian Lee; Bull Kelp Rustler: Steve Sutton.

We all got to discussing why is it Joe keeps barging in at the start and crashing in on port at the windward mark. After we grilled Joe for a while, he finally let it slip about an intestinal blockage he had after a flight a while back and as a result he admitted to taking stool softeners. It was quickly deduced his actions on the race course was a side effect of the Softener. After all, when it is time for him "to go", he has no recourse but to barge onto the waiting line at the Loo. All Trish could say was, "You guys are all so bad."
