Another beautiful day at Bowman Bay! Just as forecast, we enjoyed 3-4 knot wind from the West all day. To keep us on our toes the westerly oscillated from due West, to Northwest, and finally to WSW. We sailed the final race leaving the weather mark on starboard to keep things fair. Weeds were minimal, the sun was out, and no rescues were needed. We finished the day with the usual beer, chips, and BS. What fun!

J Kelly Martin
