

BCC to all CC#1 sailors.

Entries for CC #1 are now closed. We have 16 sailors registered for this event. Due to the size of the fishing dock we are sailing from, we have to limit the fleet size to 12 boats. This means there will be 2 HMS heats, with 4 up/down. John Ball will be the PRO with one sailor from the non-current heat assisting with scoring. That's a total of 14 people on the dock, which will be tight but just manageable.

Here are the entries for the first 2 seeding heats; Heat 1A starts at 10AM

Heat 1A: **Re-named 1B. because B fleet goes first.**
