

*Dan Shier reporting:*

13 AMYA members traveled to Saltspring Island, BC to compete in the 3day 2025 IOM Canadian Nationals, hosted by the Saltspring Island Sailing Club. Truly one of the great venues in North America. Prevailing wind is parallel to the dock allowing for courses that are 150 yards long. Many spouses traveled to this event making it a very memorable weekend. Attached are some videos of the event. Enjoy.
